I will try to make it every call, normally my Fridays are pretty light during session. Bare minimum I will try to send you some bullet point updates if I am not able to join in person.

Thank you so much for joining the call today. And thank you for sharing so much with us. It was wonderful information. I truly appreciate how willing you are to take time to join us. As i said on the call, we are going to be having these calls 2x a month during session. Do not feel like you have to join us for every call. i will keep inviting you but if you can't make it everytime- i understand.

Thanks again,

Christine
